Unit 305, Design Centre East, Chelsea Harbour, London, SW10 0XF

Lexington

The Lexington dining chair is a brand new design to our collection. A sophisticated design with a slender curved back with a superb cut out detail. The contrast piping detail around the back of this chair highlights the design beautifully. Suited for any formal dining area either classic or contemporary in scheme, or a small space that needs something unique. The sprung seat ensures the comfort of this chair matches its appeal. Perfect for either domestic or commercial use.
