Tufton

The Tufton dining chair is a brand new design to our collection. Traditional method of deep buttoning used on a slender curved back brings this design right up to date. The hand studded detail around the back of this chair highlights the shape beautifully. Suited for any formal dining area either classic or contemporary in scheme, or a small space that needs something unique. The sprung seat ensures the comfort of this chair matches its appeal. Perfect for either domestic or commercial use.
