Unit 305, Design Centre East, Chelsea Harbour, London, SW10 0XF

Westbourne

The Westbourne Armchair is a versatile design and is a firm favourite amongst our designers. The deep buttoned back adds loads of character, as do the compact shape and proportions. Depending on the fabric applied this chair can be a classic, tweak the detailing with a contrast fabric and completely transform it to a modern piece. A comfortable foam and feather wrapped seat cushion ensures this chair will be well loved in its environment.

One size
