Hasker

Classic linen on a classic sofa style: Romo's Linara campaign uses the Hasker chesterfield The Hasker sofa, Chapel Street's version of the classic chesterfield, features in Romo's latest campaign for its Linara linen fabrics. Linara is one of Romo's best-sellers, known for its wide colour palette – more than 360 shades in total – as well as its high quality. The Hasker is used in one of the campaign's styled images showcasing warming tones of coral, chestnut and watermelon, with the sofa upholstered in a Postbox, a vibrant red. With its generous proportions and sculptural deep-buttoned upholstery, it perfectly shows off the subtle variations and tactile softness that make linen one of the most versatile, sophisticated fabrics there is.
